TOGETHER WE CAN DO MORE

DENI STEINBRUCKNER
NURHAN YATGIN

INTRODUCTION

Hello, My name is **Nurhan**, I am 27 and **Turkish**. I graduated from the **Sociology** With the ESC Program, I had the chance to live abroad and **learn** a new culture. I have learned a lot of new things and I continue to **discover**.

Hi, I'm **Deni**, I'm 23 years old, and I have a degree in graphic design. I'm from **Croatia**, and through the ESS program, I got the opportunity to make a change in my community.

ABOUT OUR PROJECT

The name of our project is Together we can do more. In the project, we prepare activities for young people and informative workshops on sustainable development goals.

What we did in our project;

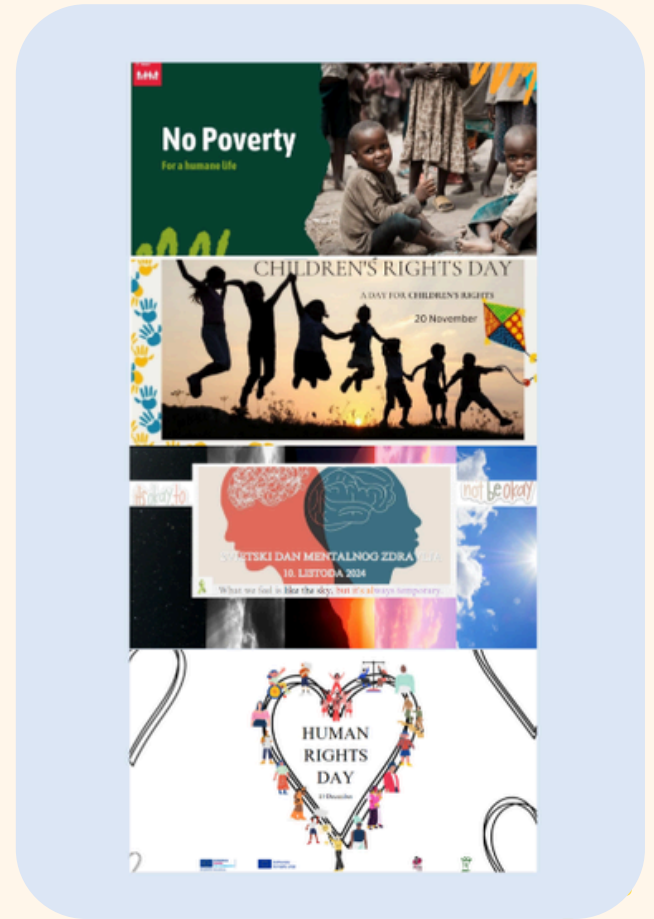

- Preparation and leading different activities on sustainable development goals (creative workshops, hangout activities) in order to promote sustainable development and to involve young people in that activities
- writing articles, creating posters and videos for the website and social media
- Preparation and leading language course
- Preparing and doing promotional activities about ESC

PROMOTION OF SUSTAINABLE DEVELOPMENT

Preparing articles and posters to raise awareness and information about sustainable development

Here you can see some of the articles we have prepared.

WORKSHOPS

We organized workshops with sustainable development goals and touching on today's current situations. We prepared educational and creative workshops to raise awareness for young people.

Truths and Myths About a Healthy Lifestyle the goal of the workshop is to show that maintaining good health requires balance, rather than extreme measures like starvation or excessive exercise.

WORKSHOPS

We organized workshops with sustainable development goals and touching on today's current situations. We prepared educational and **creative** workshops to raise awareness for young people.

Some of the workshops I have prepared are as follows; we designed Halloween themed masks to draw attention to **fast fashion**, we informed people about NGO where they can **help and donate** to draw attention to solidarity and cooperation.

The workshop "**Step into My Shoes**" explored gender equality, discussing issues like violence, gender-based discrimination, the traditional division of labor, and the societal acceptance of men expressing emotions.

WORKSHOPS

Let's Make Ruđerica Beautiful

As part of "Croatia Volunteers" (May 22-25), a volunteer action was held at Ruđer Bošković School in Osijek, where students, volunteers, and PRONI Center interns painted planters, benches, and worked on the school lawn. The event was supported by social work students from the USA and the school's volunteers

Let's Recycle Together

At the workshop, we learned how to recycle and repurpose various materials while having fun and being creative. Alongside the users of the Osijek Center for Inclusion, we participated in creating and learning, raising awareness about inclusion and environmental conservation.

PROMOTION OF MOBILITY OPPORTUNITIES

We prepared content related to the **ESC opportunity** and **presented it to young people**, informing them that they have a different experience opportunity by taking advantage of the opportunity.

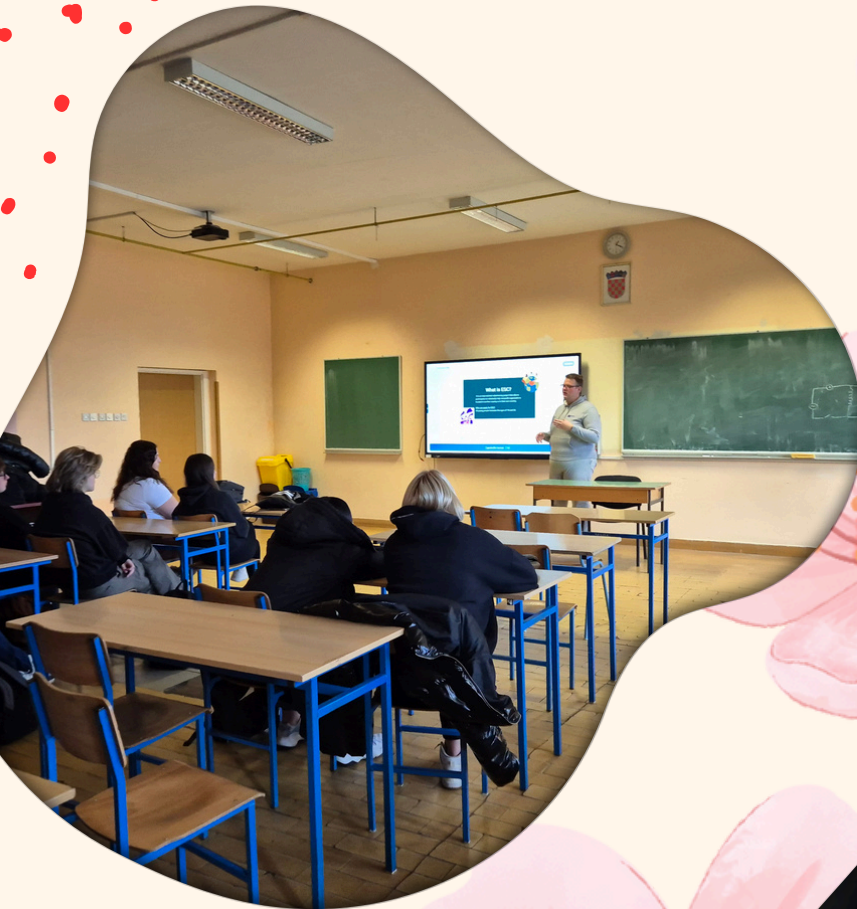

We had our **corner for mobility** in PRONI Centar for Social Education where young people could get informed about mobility

SCHOOLS PRESENTATIONS

We provided information to high school students about the ESC opportunity. We answered their questions by sharing our own experience with them.

LANGUAGE CLASSES: NURHAN CROATIAN, ENGLISH, TURKISH

My organization provided me with the opportunity to learn Croatian. In addition to Croatian lessons.

I also had the chance to improve my English and took English lessons. I also gave Turkish lessons to young people living here to teach them my native language.

THANK YOU
